Lyn Safian

May—July  
2023

Lyn Safian is one of those congregants who scurries in the background. Not one to call attention to herself, she is one of most diligent workers among us.

When you join us on Friday night services, you assume an oneg is going to be sponsored. After all, that is our "schmoozing time" with our Beth Israel family. Who plans for the onegs? Lyn does. Lyn is our "Oneg person". She busily calls congregants and asks them to sponsor an oneg to celebrate a life event, or "just because". Sounds easy...no? Considering we have an elderly population who, for whatever reason, cannot attend services on the Friday night of their oneg, Lyn has to shop for that week's oneg!

We love Lyn Safian, and we thank her for her service to our Beth Israel family. Enjoy your parking spot, Lyn!
