

## The Herb Cashvan Memorial Special Volunteer Award

Walter Gormley

April-May 2025

Walter Gormley is one of our newest converts to Judaism and newest members of Beth Israel. He is also one of our most active congregants, and was even before he converted. Walter responded to Ricki's and Jon Gamson's SOS (Save Our Shul) after Hurricane Milton destroyed the upper part of our wall. Walter and his wife, Denise, attend every Shabbat service, and they acted and sang in both the Hanukkah and Purim productions. This is noteworthy because neither had yet converted, so they were not members of Beth Israel at that point. Walter also added levity to Dalia's Purim Shpiel script. Walter is in sales, which is why he is so entertaining!

Welcome to Beth Israel, Walter, and enjoy your designated parking space for the next two months!
